

IACP/3M LEADERSHIP IN LOOKING BEYOND THE LICENSE PLATE AWARD

Introduction

The IACP/3M Leadership in Looking Beyond the License Plate Award recognizes the dedication and initiative of individual police officers whose daily efforts during traffic stops play a large part in preventing additional, more severe crimes. This award is designed to substantiate and document the importance of license plates as law enforcement tools and recognize officers who use license plates to prevent and detect both civil traffic violations and further criminal conduct.

Individual officers of any law enforcement agency are eligible for this award.
