E-mail: Mcahill@troopers.state.ny.us
Ph: 845-344-5302

New York State Police (NYSP) covers the State of New York with a population of approximately 19.3 million. It is the only police agency available in rural areas of the state. Elsewhere they share policing responsibilities with county sheriffs and local police agencies. The validation phase was conducted in Troop F. While crime is decreasing in a large part of the state, small cities have seen an increase in violent crime. "Operation Impact" has been created to target specific crimes in small cities. State troopers pair with local police officers to patrol in those cities, addressing the target crimes. NYSP maintains good working relationships with crime victim providers and employs a full time non-sworn member in each Troop as a Crime Victim Specialist to coordinate with victim providers.

Located in the greater Seattle-Tacoma metropolitan area, Sumner Police Department (SPD) serves approximately 9,000 people residing on 7.2 square miles. Sumner is an award-winning planned community with four freeway interchanges, commuter rail station and access to two major Pacific Coast ports and was voted the best little town the Pacific Northwest has to offer. The area has experienced a large industrial growth in the north end of the city and is becoming a large transit hub for commuter rail service to Seattle and Tacoma. SPD experiences strong support from the community and elected officials, but also financial limitations due to voter-approved property tax increase initiatives, which makes balancing municipal budgets more difficult each year. SPD maintains strong working relationships with the school district, downtown and north end business associations.
