**Bipartisan Policy Center – Homeland Security Project:** “With terrorist threats and tactics still lethal and becoming more complex, the project works to foster public discourse, evaluate reform, provide expert analysis, and develop proactive policy solutions on how to best address emerging security challenges.”

**Center for Terrorism and Security Studies:** “The Center for Terrorism and Security Studies (CTSS) leads and facilitates scientific research, education and training to help understand and respond to the evolution, convergence and complexity of domestic and foreign security challenges.”

**Combating Terrorism Center at West Point:** “The Combating Terrorism Center is an independent, privately funded, research and educational institution situated at West Point that contributes to the academic body of knowledge and informs counterterrorism policy and strategy.”

**Federal Bureau of Investigation:** “Working closely with a range of partners, we use our growing suite of investigative and intelligence capabilities to neutralize terrorist cells and operatives here in the U.S., to help dismantle extremist networks worldwide, and to cut off financing and other forms of support provided by terrorist sympathizers.”

**Homeland Security Information Network:** The Homeland Security Information Network (HSIN) is the trusted network for homeland security mission operations to share Sensitive But Unclassified information. The purpose is to provide federal, state, local, tribal, territorial, and correctional law enforcement with the most current CVE training materials, case studies, analytic products, and other resources.

**Homeland Security Policy Institute:** “The George Washington University Homeland Security Policy Institute (HSPI) is a nonpartisan ‘think and do’ tank whose mission is to build bridges between theory and practice to advance homeland security through an interdisciplinary approach. By convening domestic and international policymakers and practitioners at all levels of government, the private and non-profit sectors, and academia, HSPI creates innovative strategies and solutions to current and future threats to the nation.”

**The International Centre for the Study of Radicalisation and Political Violence:** “ICSR’s mission is to bring together knowledge and leadership. Producing first class, rigorous research, our aim is to educate the public and help policymakers and practitioners find more intelligent solutions in dealing with radicalisation and political violence.”

**National Consortium for the Study of Terrorism and Responses to Terrorism (START):** “The National Consortium for the Study of Terrorism and Responses to Terrorism—better known as START—is a university-based research and education center comprised of an international network of scholars committed to the scientific study of the causes and human consequences of terrorism in the United States and around the world.”

**National Counterterrorism Center:** “NCTC serves as the primary organization in the U.S. government for integrating and analyzing all intelligence pertaining to terrorism possessed or acquired by the U.S. government (except purely domestic terrorism); serves as the central and shared knowledge bank on terrorism information; provides all-source intelligence support to government-wide counterterrorism activities; establishes the information technology (IT) systems and architectures within the NCTC and
between the NCTC and other agencies that enable access to, as well as integration, dissemination, and use of, terrorism information."

**Office of Community Oriented Policing Services (COPS Office):** “The [COPS Office] is the office of the U.S. Department of Justice that advances the practice of community policing in America’s state, local and tribal law enforcement agencies.”

**RAND Corporation – Terrorism and Homeland Security:** “RAND is a world leader in research on terrorism, counterterrorism, counterinsurgency, disaster management, and homeland security—topics that affect a wide variety of policy areas and challenge individuals and nations worldwide.”

**The State and Local Anti-Terrorism Training (SLATT) Program:** “The Program is dedicated to providing critical training and resources to our nation’s law enforcement, who face the challenges presented by the terrorist/violent criminal extremist threat. To help confront this threat, the SLATT Program provides specialized multiagency anti-terrorism detection, investigation, and interdiction training and related services to state, local, and tribal law enforcement and prosecution authorities.”
