

IACP LEADERSHIP IN POLICE AVIATION AWARD

The IACP Leadership in Police Aviation Award recognizes public safety individuals and agencies that exemplify excellence in airborne law enforcement operations for both manned and unmanned aircraft operations in the law enforcement community. This award emphasizes initiatives that enhance general safety operations, accident prevention programs, and the efficiency and effectiveness of airborne law enforcement.

Efforts eligible for recognition can range from the unit level to the national or international level, including rotary, fixed-wing, or unmanned aircraft operations. Any agency or individual that operates manned or unmanned aircraft is eligible to apply.

Categories

- Individual
- Agency

Submission Tasks

- Contacts (Nominee, Point of Contact, Head of Agency, Nominator)
- Head of Agency Acknowledgement Letter
- Supplemental Materials (optional)

Questions

1. Explain why this individual or agency should be selected for this award. Describe the history, impact, and innovation that make the nomination unique.
2. What were the outcomes or results? If applicable, include evidence of demonstrated success.
3. How does this submission exemplify leadership and how can others benefit from the lessons learned or best practices?
4. How does the police aviation program/individual enhance the efficiency and effectiveness of airborne law enforcement?
