

Module 5. Substance Use Disorders

Time: 80 minutes

Slides: 32

Purpose: This module will introduce participants to substance use disorders and their signs and symptoms and discuss effective approaches for intervening with those under the influence of substances.

Learning Objectives:

Upon completing this module, participants should be able to:

1. Define substance use disorders;
2. Describe behaviors associated with these disorders;
3. Discuss the extent that individuals with mental health conditions and developmental disabilities also have substance use disorders; and
4. Discuss effective approaches to intervening with individuals under the influence of substances.
