IACP Impaired Driving & Traffic Safety Conference

**AUGUST 9-11, 2023
ANAHEIM, CALIFORNIA**

This letter is to request approval to attend the 2023 International Conference on Impaired Driving and Traffic Safety (IDTS) August 9-11, 2023, in Anaheim, California. The IACP IDTS Conference provides access to the latest training, best practices, and solutions we need to meet today's challenges.

The 2023 IDTS Conference brings together law enforcement professionals, traffic safety advocates of nonprofit organizations, prosecutors, and toxicologists from around the world to address critical issues surrounding the impaired driving and traffic safety related issues. The event offers three full days of content that will allow me to focus on specific skills and solutions that I can immediately bring back to the agency. Also, I will have the opportunity to learn global best practices and make valuable new contacts within the field.

Upon my return from the conference, I will share the new ideas and key takeaways with others not only within the agency but throughout the community to help increase public safety.

I have provided a couple of documents for your review. Included is a breakdown of estimated costs to attend the IACP IDTS Conference and a goals worksheet that focuses on our agency's current needs and how attending this conference will enhance our operations.

I hope that you will agree that my attendance at this conference is a valuable use of my time and will benefit the agency and our community. Thank you for your consideration

Sincerely,

IACP Impaired Driving & Traffic Safety Conference

Importantly, attending the IDTS Conference will provide me with continuing education credits that I need to maintain my Drug Recognition Expert certification.

Upon my return from the conference, I will share the new ideas and key takeaways with others not only within the agency but throughout the community to help increase public safety.
