providers that offer:

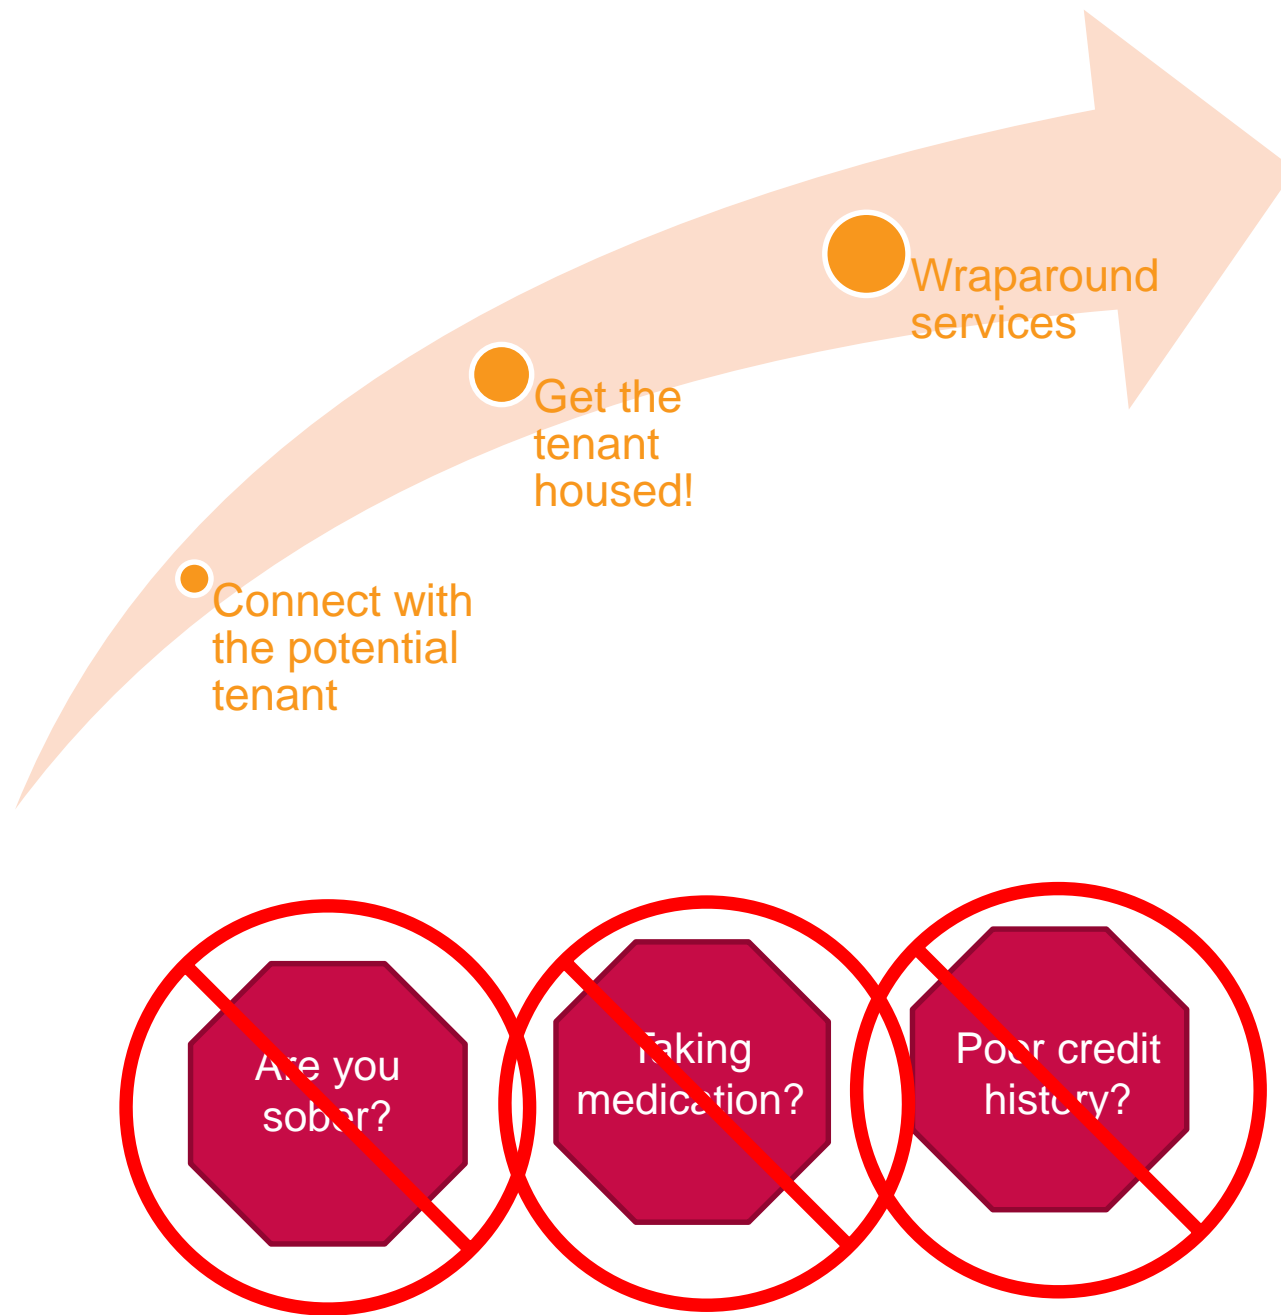

In the past 5 or so years, HUD has increasingly required that providers demonstrate they are using a Housing First approach. The reason is simple: homelessness is solved first and foremost by providing a home, which is a platform for recovery from mental, behavioral and physical afflictions.

4 Centered on Consumer choice

5 Robust support services with assertive engagement

6 Embrace a harm-reduction approach

7 Tenancy is not dependent on participation in services

How can housing fit in with pre-arrest diversion (PAD)?

- Many PAD programs report working with many homeless people who qualify for their services (i.e. no or minimal arrest records)
- Crisis centers are a place for some PAD interventions – these can be linked with homeless services and housing options
- Housing can be a platform for the treatment models in PAD programs
- PAD programs can also help keep current supportive housing tenants successfully housed
- What do YOU think? Would love your thoughts in the chat box!

Ending Chronic Homelessness in Milwaukee County Through Innovative Partnerships

James Mathy, Milwaukee County Housing Division
Lt. Cassandra Libal, Milwaukee Police Department

Key Principles of Housing First

- ▶ Immediate Access to Housing
- ▶ Ending cycle of homelessness
- ▶ Solution-focused Case Management
- ▶ Improved health outcomes
- ▶ Social & Community Integration
- ▶ Social mobility
- ▶ Community Development
- ▶ Cost savings associated with housing retention

Where we began...

- ▶ Plan to end chronic homelessness within three years
- ▶ Point in Time
 - ▶ 195 Chronically Homeless Milwaukeeans
 - ▶ 140 Sheltered; 55 Unsheltered
 - ▶ Number turned out to be much higher with improved homeless outreach and data quality
- ▶ House the most difficult to house
 - ▶ Highest utilizers of public services
 - ▶ 100 individuals placed in 12 months
 - ▶ Over 300 in 3 years
 - ▶ Over 700 homeless individuals and families served in Housing Division since September 2015

Where we are now...

- ▶ We are approaching functional zero for chronic homelessness
- ▶ Must be able to maintain functional zero for 90 days to declare
 - ▶ All individuals must be placed within 30 days of entering system
- ▶ We would be the largest county in the nation to reach this goal
