Law Enforcement-Based Victim Services (LEV)

TECHNICAL ASSISTANCE

Do you have dedicated Victim Services staff?  
Does your agency have Victim Services policies?  
Does your agency have a plan for Victim Services strategic growth?

Approximately 45% of law enforcement agencies have staff dedicated to Victim Services in a specialized unit. You could too!

All 50 states, DC, and the federal government have victims’ rights (constitutional amendments, statutes, and/or rules).  

The IACP is proud to provide training and technical assistance to law enforcement agencies seeking to establish or enhance victim services.
