

Alzheimer's Community Care's ID Locator Service Rack Card (Front and Back Side)

Back:

WHAT IS THE ID LOCATOR SERVICE?

Alzheimer's Community Care provides personalized solutions to ensure the safety of your loved one with Alzheimer's disease. These solutions include:

- Personalized screening and consultation with a Family Nurse Consultant
- Education and Training from the ID Locator Team
- Emergency plan and safety equipment upon enrollment
- Immediate support of Alzheimer's Community Care and local Law Enforcement during a wandering event

Equipment:

Medical ID Bracelet – A unique identifying bracelet that links to vital information

Radio Frequency Bracelet – A lightweight, waterproof bracelet that can be tracked by law enforcement during a wandering event

Door Alert – A portable motion sensor that signals the caregiver of a potential exit

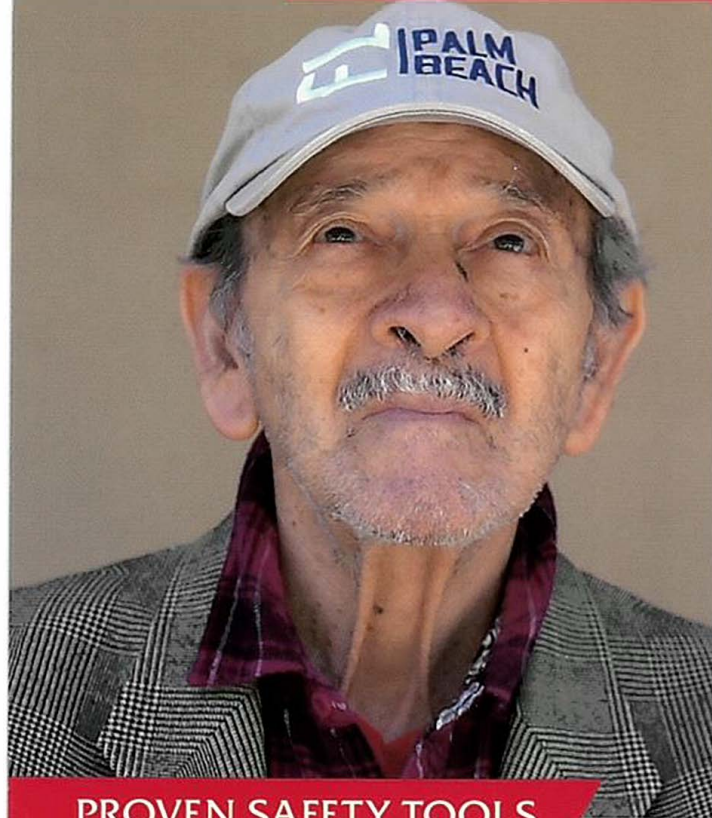

Alzheimer's Community Care is a non-profit organization that provides the ID Locator Service at low-cost and no-cost to families in Palm Beach, Martin and St. Lucie Counties living with Alzheimer's disease and related neurocognitive disorders.

ID Locator Service

PROVEN SAFETY TOOLS

3 OUT OF 5 ALZHEIMER'S PATIENTS WILL WANDER AT SOME POINT

Your Loved One Is At Risk If:

- You suspect they have Alzheimer's disease or a related dementia
- They are restless, pacing or making repetitive motions
- They become agitated during late afternoon or early evening
- They have trouble navigating familiar places
- They talk about fulfilling non-existent obligations
- They want to go home when they're already there
