How Does SVAT Help People?

- Team members lend support and provide help to victims of crime 60 years or older
- Team members assist with immediate crisis intervention, follow-up and support.
- Team members are trained to provide information and make referrals to the appropriate legal, health and human services agencies.
- Team members assist in the replacement of identification, important papers, hearing aids, eyeglasses, canes, lights, locks and repair of broken windows.
- Team members educate seniors on how to be safe and avoid victimization.
- Team members sign up for pager duty at least two consecutive 24 - hour periods a month.

Who?

Maybe you! Single adults and couples share calendar duty. Flexible schedule allows time for vacations and other personal business.

What?

A volunteer opportunity that provides a rewarding way to give back and help serve the senior citizens in our community.

Training is provided about the job, and you will also learn more about the different resources available throughout the community.

Why?

The senior citizens of Colorado Springs need assistance in a variety of areas, and you would be of great help.
