

Volunteer Coral Springs!

Since its founding, the City of Coral Springs has been blessed with citizens who have the spirit of volunteerism and who truly care and share generously of themselves.

We believe that our community is a better place because our residents are engaged as volunteers and that our community is healthier because volunteering is central to the life and work of our citizens.

Volunteers give countless hours of service which make a tremendous impact on the quality of service provided to our customers. Our volunteers range in age from 14 to over 80 and perform a variety of functions throughout our City departments.

Every day, millions of people in this country dedicate their time and talent volunteering to make a difference in their communities. Our challenge is for YOU to be one of those people who reach out to make a difference!

Our Mission Statement

To encourage citizens to participate in local government through volunteerism to improve the quality of city services provided in Coral Springs.
