

## Vacaville Police Department **PARKING NOTICE**

**The California Vehicle Code and the Department of Motor Vehicles (DMV) require that the handicapped placard be hung from the rear-view mirror of the parked vehicle.** The Vacaville Police Department has started a special parking enforcement project in this area, and will be looking for and citing vehicles illegally parked in handicapped zones. In order that your vehicle not be accidentally cited as an illegally parked vehicle, we are asking that you comply with requirements and hang the placard from your rear-view mirror in the future.

Thank you.
